The Library of Congress'

EARLY STATE RECORDS PROJECT

converted from the original microfilm held by the
Vincent C. Immel Law Library, Saint Louis University

through the generous support of a grant from the

Council on Library and Information Resources

This document contains handwritten text that may be partially illegible due to age, penmanship, or deterioration of the medium. LLMC has scanned the material in the same format and page order in which it is maintained in the source document taken from the collection "Records of the States of the United States of America, a microfilm compilation."

On March 10 1856 the Mexicans soldiers and civil officers took down the Mexicans flag and left for Sonora and a few Americans hoisted the American flag made of red and blue handkerchiefs & driated by Aldridge & Hamer.

The first merchants were Miles and Banner= They had to pay the duties on their goods until this date. Sol Banner coming her Feb 28 did not fel able to pay duties and left his goods in-tact ~~and waited until the~~ Knowing the Mexicans soldiers would leave March 10th. ~~And~~ He left Yuma in time to get here and opened his store that day under the American flag= There were a very few Americans here but that day was made a Glorious Fourth of July for those here as all took a very active part.
